

Donation Form

I would like to make a donation to the Newcastle Urology Fund, and enclose a *cheque/postal order (*delete as appropriate) to the value of £.....

(please make cheques payable to 'Newcastle upon Tyne Hospitals NHS Charity' and write 'Newcastle Urology Fund' on the reverse).

Donor's details (BLOCK LETTERS please)

Title First Name or initial(s)

Surname

Full Home Address

.....

..... POSTCODE

giftaid it **Using Gift Aid means that for every £1 you give, we get an EXTRA 25p from HM Revenue & Customs, helping your donation go even further at no cost to yourself.**

Gift Aid is reclaimed by the charity from the tax you pay for the current tax year. If you would like us to claim Gift Aid on your donation, your address is needed to identify you as a current UK taxpayer. Please complete your details above, tick the Gift Aid box and sign the declaration below.

Declaration

I want to Gift Aid my donation of £ to the Newcastle Urology Fund

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference.

Date Signature

Please notify the charity if you:

- Want to cancel this declaration
- Change your name or home address
- No longer pay sufficient tax on your income and/or capital gains

If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

From time to time we would like to send you information about the Newcastle Urology Fund. If you do not want to receive this information, please tick the box.

Return address:

Charitable Funds Office, Peacock Hall, Royal Victoria Infirmary, Queen Victoria Road, Newcastle upon Tyne NE1 4LP

Telephone: 0191 213 7235

Email: charity.matters@nuth.nhs.uk

With your generosity we can improve the environment and experience for all our urology patients

How can you help us?

Single Donation

Please use the attached form if you wish to make a one-off donation. Remember to make full use of the Gift Aid Scheme as this makes your contribution go even further. Please make cheques payable to 'Newcastle upon Tyne Hospitals NHS Charity' and write 'Newcastle Urology' on the reverse. You can also use our text giving facility. Simply text **70070** with the message UROL70 and the amount (£3,£5 or £10) eg. UROL70 £5.

Donate Online

To make a donation online, Newcastle upon Tyne Hospitals NHS Charity has teamed up with JustGiving to provide a secure online donation service. You can make a one-off or regular donation using a credit/debit card at: www.justgiving.com/newcastle-urology

A Gift in Your Will

After providing for their loved ones, many people make a gift to their local hospital in recognition of personal treatment, or that provided to a relative or friend. To help maintain and improve Newcastle Urology for future generations, please consider including us in your Will. Help and advice on appropriate wording is available from our Financial Accountant on **0191 223 1434**.

Fundraising

If you would like to support the Newcastle Urology Fund through a fundraising activity, please contact us on **0191 213 7235** or email charity.matters@nuth.nhs.uk where help and advice will be provided, along with sponsorship forms if needed.

Please note, prior permission to use the Newcastle Urology Fund name in any fundraising event is required as this allows us to monitor fundraising activities held in our name and provides assurance to the general public that the event is legitimate.

Charity Matters at Newcastle Urology

Newcastle upon Tyne Hospitals NHS Charity Reg No. 1057213

World class care under one roof

Newcastle Urology is a regional centre serving patients across the North East and Cumbria. It is recognised as having one of the top clinical research programmes in Europe.

Based at the Freeman Hospital, Newcastle Urology offers world-class, specialist healthcare for all forms of urological conditions including bladder, kidney, prostate and testicular cancer, as well as other conditions such as stones, incontinence and erection problems.

We use the most up-to-date equipment available, including the latest generation surgical robot (Da Vinci) and are continually developing the use of new techniques to treat urological conditions with minimal damage to healthy tissue.

Our team is committed to ensuring that every patient is treated with the utmost dignity and sensitivity and are provided with the highest quality of care in a safe and comfortable environment.

Newcastle Urology Fund

The Newcastle Urology Fund is the dedicated charitable fund for Newcastle Urology at the Freeman Hospital. The Fund aims to improve the care of all patients with urological conditions by providing extra comforts to reduce stress and anxiety as well as equipment and services above and beyond what NHS resources alone can provide.

Advances in medicine move very quickly, with new types of treatment coming on stream all the time. At Newcastle Urology, we constantly strive to be ahead of the game and your donations help us to achieve this.

Newcastle Urology has one of the top clinical research programmes in Europe.

Where does the money go?

Your Donations to the Newcastle Urology Fund help to:

- Purchase the most up to date equipment available on the market for prompt diagnosis of a range of urological problems, particularly for those patients with suspected or actual bladder cancer. For example, the very latest camera equipment for cystoscopies; a diathermy unit which allows very small tumours to be removed without the need for a general anaesthetic; a UV light storage cabinet to ensure continued sterility and a safe environment for cystoscopes; an additional urinary flow meter to allow for non-invasive diagnosis of urinary obstruction
- Fund our doctors and nurses to attend clinical and scientific meetings to further their continual professional development
- Continue investing in research, maintaining Newcastle Urology's reputation as a European leader in this field
- Fund development of on-line video content for the benefit of patients and staff throughout the region
- Make waiting areas more comfortable for patients and visitors
